Dear Ms. Powell:

On behalf of The Citadel's Tau Iota Chapter of Sigma Delta Pi, the National Collegiate Hispanic Honor Society, I thank you and Stewart Title Guaranty Company for your generous sponsorship of our 3<sup>rd</sup> annual South Carolina Spanish Teacher of the Year Award for 2007. Stewart Title's \$500 cash prize to the 2007 winner, Mrs. Renée Love of Gaffney High School, was testimony to your impressive commitment to our state's Spanish teachers and to Hispanic language and culture education in our 1500+ public and private K-12 schools across South Carolina. Our contest's high profile awards ceremony on November 15 at The Citadel showcased the very best of our Palmetto State's Spanish educators, and Stewart Title Guaranty Company was indeed a community and statewide leader in supporting this important endeavor. It goes without saying that your sponsorship meant a great deal to South Carolina's teachers, our community and our contest's finalists. We look forward to your continued sponsorship for many years to come.

Gratefully,

Mark P. Del Mastro, Ph.D.
